

## Manual Matias Wired Keyboards ( all models starting with FK3XXX)

### Use

Keyboard Layout: Make sure the keyboard layout matches your language settings (for example, QWERTY).

### Maintenance

**Cleaning:** Clean the mouse regularly with a dry cloth to prevent accumulation of dust and dirt. Avoid water or harsh cleaning agents.

**Storage:** Store the keyboard in a dry environment to avoid damage from moisture.

**Cable management:** Make sure the cable is not twisted or kinked to prevent wear and tear.

### Troubleshooting

**No response:** Check the connection and/or try another USB port.  
Try another USB-Port.  
Restart your computer to fix any software problems.

**Movement problems:** make sure that the bottom of the mouse is clean and that the sensor is not blocked.

Be sure to use an appropriate surface (preferably a mouse pad).

### Technical Specifications.

Power consumption: No separate power source required; mouse operates via USB.

Control ⌘ D - Dictionary (Mac)	

How the FN key works on Mac

If you need to type **F1** (rather than darken the screen) simply hold down **fn** and then press **F1**

If this is not convenient, you can reverse it. Go to...

🍏 menu > **System Preferences...** > **Keyboard**  
and check the box, as shown below

☒ Use all F1, F2, etc. keys as standard function keys  
When this option is selected, press the Fn key to use the special features printed on each key.

#### Warranty Procedure:

1. Please contact your reseller and give a detailed description of the problem.
2. They will try to solve your problem and handle your request accordingly.

Matias Corporation (“Matias”) warrants to the original end user (“Customer”) that this product will be free from defects in workmanship and materials, under normal use, for 1 year from the date of original purchase from Matias or its authorized reseller. Matias’ sole obligation under this express warranty shall be (at Matias’ option and expense) to repair or replace the product or part with a comparable product or part.

All products or parts that are replaced become the property of Matias.

#### LIMITATION OF LIABILITY

To the full extent allowed by law, Matias excludes for itself and its suppliers any liability (whether based in contract or in tort, including negligence) for incidental, consequential, indirect, special or punitive damages of any kind, or for loss of revenue or profits, loss of business, loss of information or data, or other financial loss arising out of or in connection with the sale, installation, maintenance, use, performance, failure, or interruption of this product, even if Matias or its authorized reseller has been advised of the possibility of

such damages, and limits its liability to replacement, repair, or refund of the purchase price paid, at Matias’ option.

This disclaimer of liability for damages will not be affected if any remedy provided herein shall fail of its essential purpose.

This keyboard contains no user-serviceable parts, and should not be opened or disassembled – risking damage to it and injury to you. Do NOT remove, crush, or puncture the battery inside, or expose it to high temperatures or liquids. When this product reaches its end of life, please dispose of it according to your local environmental laws and guidelines. The lithium-ion battery in the keyboard should be recycled or disposed of separately from household waste, by a qualified service provider. Operation is subject to the following two conditions:

- 1) This device may not cause harmful interference.
- 2) This device must accept any interference received, including interference that may cause undesired operation.

Complies with the Canadian ICES-003 Class B specifications.

This product complies with the requirements of European Directives 72/23/EEC, 89/336/EEC, and 1999/5/EC.
